Your Glacier Park PTSA would like to welcome you to the 2010 – 2011 school year!

Each year, your GPES PSTA members, executive board, and committee chairs unite with parents, guardians, teachers, administrators, staff, and volunteers like you to ensure that each student's life is enriched by the activities of their PTSA. Together we can make this happen through the combined efforts of the **entire community**. As we begin the school year, we invite you to team up with many caring and compassionate people by joining Glacier Park PTSA.

PTSA Vision for 2010-2011

"Working to support the health, welfare, safety, education and protection of our children"

Provide resources to Glacier Park teachers and staff for supplemental classroom and teaching supplies.

Provide funding for extracurricular programs such as drama, broadcasting, and zero-hour.

Increase membership by five percent from last year.

Why should you join GPES PTSA?

It is important for you to have a part in improving your child's educational environment.

As a parent or guardian, you are almost certainly the most important person in your child's life. When you are involved in PTSA, the child who benefits the most is your own. It is not the amount of time you can contribute that's most important, but rather your commitment to help PTSA make a difference in the lives of *all* children at Glacier Park. We realize that everyone has scheduling, time, and money constraints; that's what makes it so important that *everyone* becomes involved.

All of us are needed, and each of us is vital to the PTSA's Success.

GPES PTSA membership costs only \$16 per family, \$10 per person or you can purchase a Family Membership Bundle at \$25 which includes a Family Membership and One Yearbook. You can purchase additional yearbooks for \$12 each.

Membership fees are **tax deductible**, your cancelled check is your receipt!

Grandparents can even join! There is no obligation to attend meetings or chair committees. In fact, you may participate in PTSA as much or as little as you choose. Please become part of this great organization. Also, look for the "Volunteer Form" and choose an area to volunteer that is of interest to you.

Why should you donate to GPES PTSA?

100% of your donation goes directly to the PTSA with no other hassles of having to fundraise. If you are a member you can **donate \$50 to "opt out" of additional fundraisers**. You will still receive fundraising flyers; however, you can feel good about not participating. Many employers match contributions over \$25. If you are a **United Way** contributor, you can designate GPES PTSA as the recipient of all or part of your contribution. Just utilize our organization name and the **EIN # 91-203 0511** when filling out their donation form.

If each of us does a little, we can affect many lives in a positive way!

Sincerely,
Your Glacier Park PTSA Executive Team
